

42 U.S.C. 122(h)

(FRL-3860-3)

Proposed Administrative Agreement**AGENCY:** U.S. Environmental Protection Agency (U.S. EPA).**ACTION:** Proposed settlement.

SUMMARY: U.S. EPA is proposing to settle a claim under section 107 of CERCLA for response costs incurred during removal activities at Dead Creek Site No. 60 in Sauget, Illinois. Respondents have agreed to reimburse U.S. EPA in the amount of \$12,500. U.S. EPA today is proposing to approve this settlement offer because it reimburses U.S. EPA, in part, for costs incurred during U.S. EPA's removal action.

DATES: Comments on this proposed settlement must be received by December 14, 1990.

ADDRESSES: Copies of the proposed settlement are available at the following addresses for review: (It is recommended that you telephone Daniel O'Riordan at (312) 886-4359 before visiting the Region V Office) U.S. Environmental Protection Agency, Region V, Office of Superfund, Remedial and Enforcement Response Branch, 230 South Dearborn Street, Chicago, Illinois 60604.

Comments on this proposed settlement should be addressed to: (Please submit an original and three copies, if possible) Daniel O'Riordan, Community Relations Coordinator, Office of Public Affairs, U.S.

Environmental Protection Agency, Region V, 230 South Dearborn Street, Chicago, Illinois 60604, (312) 886-4359.

FOR FURTHER INFORMATION CONTACT: Daniel O'Riordan, Office of Public Affairs, at (312) 886-4359.

SUPPLEMENTARY INFORMATION: Dead Creek Site No. 60 is not on the National Priorities List. After receiving reports that Dead Creek was smoldering, U.S. EPA personnel installed a chain link fence on that portion of the creek bordered by Judith Lane on the south and Queeny Avenue to the north in Sauget, Illinois. This prevented anyone from having direct contact with the creek. The Illinois Environmental Protection Agency is studying the Dead Creek as well as other locales in Sauget, and will determine what further action is appropriate.

Respondents are four companies that generated hazardous waste while operating in the area of the Dead Creek. A 30-day period, beginning on the date of publication, is open pursuant to section 122(i) of CERCLA for comments on the proposed settlement.

Comments should be sent to the Office of Public Affairs (5PA-14), U.S. Environmental Protection Agency, Region V, 230 South Dearborn Street, Chicago, Illinois 60604.

Elizabeth Doyle,

Assistant Regional Counsel, United States Environmental Protection Agency.
